

# HNLC SRE Curriculum Scope and Sequence

This curriculum is authorised by Holroyd New Life Church and the Baptist Union of NSW. The number of lessons per grade and the length of lessons may vary between schools. Where SRE lessons are greater than 60 minutes, teachers may wish to combine lessons. In all schools, the core units should be covered first, after which SRE teachers can choose which supplementary units or lessons (from within the relevant stage) to teach from.

| <b>Unit aim</b>     | For students to consider their own prayer experiences, and to learn how to pray based on Jesus' examples and teachings.   | For students to explore the question, 'If God exists, why is there suffering?'; to learn that God empathises with our suffering and desires to give us peace, and to consider how we can play a part in reducing suffering in the world.  |                         |                 |
| <b>Unit verse</b>   | Matthew 6 v 9-13 "This, then, is how you should pray: "Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on earth as it is in heaven. Give us today our daily bread. And forgive us our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from the evil one." | Hebrews 4 v 14-16 Therefore, since we have a great high priest who has ascended into heaven, Jesus the Son of God, let us hold firmly to the faith we profess. For we do not have a high priest who is unable to empathize with our weaknesses, but we have one who has been tempted in every way, just as we are—yet he did not sin. Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need. |                         |                 |
